Airstream Living Bruce Littlefield

The versatility of the sleek metallic gems of Airstream has captured the imagination of a new generation. Paris Hilton used one to tour the country in *The Simple Life*. Designer Ralph Lauren owns four. *Airstream Living* explores these vehicles' many uses, from vacation travel to permanent residence, from home office to pool house, from on-set accommodation for movie stars to businesses such as diners and stores.

In its pages, profiles of real-life owners reveal how they use their trailers to enhance their lifestyle, and vacationers will find advice on how to get the most out of Airstreams. Inspirational photographs accompany advice on decorating interiors in styles that range from the simple to opulent: retro chic, Ralph Lauren's Adirondack and Western themes, a seaside look for coastal touring, and much more. Practical advice covers everything from buying your first Airstream to care and cleaning tips to solutions for storage. A directory provides a thorough listing of suppliers and websites.

For anyone who owns an Airstream or is thinking about purchasing one, this book is a must-read for living life to the fullest aboard a land yacht.

This great information can easily drawn you into brand new stage of crucial thinking.

Dwight McBride:

As a pupil exactly feel bored for you to reading. If their teacher expected them to go to the library or even make summary for some book, they are complained. Just minor students that has reading's soul or real their pastime. They just do what the educator want, like asked to go to the library. They go to there but nothing reading seriously. Any students feel that reading is not important, boring and can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this Airstream Living can make you feel more interested to read.
