Dogs and humans have lived side by side for over 15,000 years, a record that's not to be sniffed at. Dogs have played an important part in human history and in the development of our civilisation. Ours is an enduring, sometimes enigmatic relationship, a symbiotic partnership. We have hunted and herded together and lived and fought side by side. Today, they guard and protect us and we work in tandem to save lives. Steadfast in their loyalty, faithful in their friendship, dogs reward us handsomely. And Beautiful Dogs captures the diversity, beauty, mystique and charm of our companions, co-workers and champions. This is a book for all those who love dogs. It is a photographic celebration of man's 'best friend'.
