Roger Quilter: 55 Songs - Low Voice The Vocal Library

With a graceful gift for lyrical vocal writing, English composer Roger Quilter (1877-1953) created a rich body of art songs. Very few composers working in English have matched his achievement of a living body of beloved, relevant, literate repertoire. The strong melodies and natural phrasing make his compositions perfect literature for the progressing singer. There has never before this publication been a significant collection of Quilter. This new edition conveniently and economically collects 55 songs, all in clear, new music engravings and in two keys (with original keys noted). Many of the songs have never been published in transposition before this edition. The collection contains several complete song sets or cycles, including To Julia, Three Shakespeare Songs (First Set), Seven Elizabethan Lyrics, Three Songs of William Blake, Five Shakespeare Songs (Second Set), and others.
