Imagine sitting around a kitchen table with a small group of women friends asking compassionate Master Teachers- Saint Germain, Kuthumi, Sananda, Kuan Yin, Mary, and others absolutely anything you wanted . . . and getting detailed answers. Join such a group of women, affectionately named by Master Saint Germain the "Sisters of the Flame." Read transcripts of their question and answer sessions-sessions that took place over the course of many long, hot summer evenings while the crickets sang and air conditioners hummed in the small town of Asotin, Washington. These spiritual teachings focus on the important lessons of Love, Emotion, and the Awakening. Learn about the Angels who serve each of us. Enjoy clear explanations about the roles of minds, bodies, chakras, and sounds. Do you have questions about freewill, collective thought, and cooperation? Here are answers. What about personality and the ONE; fear and safety; science, technology, and healing; Christ and Anti-Christ? Or are you more concerned about jobs, relationships, smoking, or Bigfoot? From the transcendent to the mundane, to the personal and quirky, the lessons in Sisters of the Flame provide everyone with a questioning mind and concerns about our future information to help us welcome what many of us perceive to be cataclysmic times. No, say the Masters, it is not a time for despair. Instead, consider it to be a monumental opportunity in this school room we call Earth-an opportunity to become our highest selves. Through Sisters of the Flame, you will learn how.
