The Baron's Bounty

North Queensland, Australia, is a land of fierce contrasts, of astonishing beauty—and a land of secrets. No one knows this better than Australian aristocrat Chase Banfield, the master of the historic cattle station Three Moons.

Yet even he is surprised when beautiful reporter Rosie Summers claims there is evidence of an ancient Egyptian presence on Banfield land. Despite his reservations, Chase agrees to an expedition with Rosie. But their search uncovers something far more precious than historic artifacts...a timeless love.
