The Gift of Rivers: True Stories of Life on the Water (Travelers' Tales Guides)

The Gift of Rivers: True Stories of Life on the Water (Travelers' Tales Guides)

Rushing, rolling, flowing — rivers provide the ultimate metaphor for movement. They carve borders, create livelihoods, provoke adventure, and offer healing. From white-knuckle rafting rides to fishing stories to eco-essays, this collection by top authors explores the historical, practical, and spiritual significance of rivers. Contributors to *The Gift of Rivers* include Isabel Allende, Barry Lopez, Wendell Berry, Jan Morris, William Least Heat-Moon, Richard Bangs, Simon Winchester, and many other distinguished and emerging voices — all celebrating rivers, literally and symbolically. A thoughtful introduction by former U.S. Poet Laureate Robert Hass describes the way in which rivers have fueled the imagination and spawned cultures since the beginning of time.
