**An Expose on Teen Sex and Dating: What's Really Going On and How to Talk About It** Andy Braner  
After interviewing thousands of teens, author Andy Braner put it all down on paper in a straight-talk approach to teen sex and dating. Revealing some startling statistics, he explains to parents and youth pastors what the current situation is with teens and sex, how we got here, and where the current out-of-control sex-driven culture is leading us. Readers will find out how to reach teens with a biblical message on dating, sexual promiscuity, purity, and redemption.
