Holocaust Tours Julian Novitz

***Holocaust Tours* is funny, fierce and unafraid: a first novel that questions what history means to us now.** Taking time out in the UK, Daniel meets Anita. Getting involved with her means getting involved with her study of Holocaust memorials - and brings him face to face with his own Jewish heritage. Unfortunately it also brings him face to face with Josh, who shares Anita's interests more than Daniel likes. Returning to New Zealand and starting a new job, however, Daniel soon realises he can't escape the subject so easily - especially when his old friend Martin makes an appearance, he's the author of a controversial new book, denying the Holocaust.
