The Chakras

C W Leadbeater

The Chakras C W Leadbeater

Chakra (Sanskrit, "wheel") refers to the ancient Hindu concept of seven vortices of energy located on the spine from the tailbone to the crown of the head. These centers define the physical and spiritual contact points in the human body. In yoga they are bridges to higher consciousness symbolizing the journey from the material world to the divine. Alternative-medicine healers recognize them as a dynamic resource for health.

First published in 1927, this pioneering book by famed clairvoyant C. W. Leadbeater was the first to introduce the chakras to the West. With great clarity, he explains what each chakra means regarding our well-being, insight, and personal power, his color illustrations showing the chakras as they actually appear to those who can see them. Anyone can perceive the chakras, he says. We must merely become sensitive to vibrations finer than those to which we normally respond

The book has sold hundreds of thousands of copies and remains a classic. The new material by Anodea Judith and Kurt Leland emphasizes its relevance for today.

From reader reviews:

Victor Elam:

What do you about book? It is not important to you? Or just adding material when you want something to explain what your own problem? How about your extra time? Or are you busy particular person? If you don't have spare time to complete others business, it is make you feel bored faster. And you have spare time? What did you do? All people has many questions above. The doctor has to answer that question mainly because just their can do which. It said that about publication. Book is familiar in each person. Yes, it is proper. Because start from on pre-school until university need this kind of The Chakras to read.

Armando Mosley:

Information is provisions for individuals to get better life, information nowadays can get by anyone with everywhere. The information can be a knowledge or any news even a concern. What people must be consider while those information which is in the former life are difficult to be find than now could be taking seriously which one is suitable to believe or which one the particular resource are convinced. If you have the unstable resource then you have it as your main information you will see huge disadvantage for you. All those possibilities will not happen in you if you take The Chakras as the daily resource information.

Mark Mata:

Reading a e-book can be one of a lot of pastime that everyone in the world loves. Do you like reading book so. There are a lot of reasons why people enjoyed. First reading a book will give you a lot of new information. When you read a book you will get new information simply because book is one of a number of ways to share the information or even their idea. Second, reading through a book will make you actually more imaginative. When you reading a book especially hype book the author will bring that you imagine the story how the character types do it anything. Third, you could share your knowledge to others. When you read this The Chakras, it is possible to tells your family, friends as well as soon about yours guide. Your knowledge can inspire the others, make them reading a reserve.

Rosalind Bowlin:

With this era which is the greater person or who has ability in doing something more are more important than other. Do you want to become among it? It is just simple approach to have that. What you should do is just spending your time very little but quite enough to get a look at some books. One of several books in the top list in your reading list is usually The Chakras. This book which is qualified as The Hungry Hills can get you closer in getting precious person. By looking upwards and review this book you can get many advantages.
