A Lesbian Mystery Romance

Everybody's worried about Becky. She's too rich, too young, and much too cute for her own good. And she's driving her friends and family to distraction, playing fast and loose with the bored housewives she meets through Girl Power, the offshoot of Marsten Builders, which she co-runs with her best friend, Frankie.

When she hears Niamh busking in the center of town, Becky is stunned by the intensity of her attraction to the itinerant young musician. The feeling is mutual. For Niamh, Becky has a familiar feel that reminds her of the home and family she has lost, and she quickly finds herself looking for ways to meet this intriguing young woman again.

Both women are deeply wary of any kind of new relationship. Their early experiences have left them wounded and vulnerable. But for some reason, they can't help but trust each other.

But even as the pair are taking their first shaky steps toward love, they begin to realize that their apparent chance meeting is already part of a much bigger drama unfolding. Events of the past are starting to catch up with them, and they are about to be faced with challenges and decisions that will change their lives forever....
