**Cosa avrebbe scritto Beethoven (Italian Edition)** Rossella Vezzoli

Questo libro di racconti riguarda le influenze alle quali i giovani vengono sottoposti e con le quali si trovano a interloquire e la resistenza funambolica che l'uomo contemporaneo nella fermezza quanto nelle fragilità deve saper porre a fondamento della propria azione. Il primo racconto in particolare parla di un gruppo di ragazzi e ragazze e dello sforzo che essi fanno a favore della salvezza della terra in un'ottica ambientalista, avventurosa, che prospetta un'adolescenza aperta su un mondo dalle sfide molto complicate. Il sotto-testo del primo racconto è un'accennata spy-story di grande attualità, sofisticata, misteriosa quanto intrisa di delicatezze e di impatto sulla realtà, che sarebbe forse piaciuta a Philip K.Dick.
