Josep Deví

Manual de intervención clínica en psicogerontología (Albor (herder)) (Spanish Edition) Josep Deví

La presente obra contribuye a cubrir el vacío editorial existente en el campo de la intervención y el tratamiento de los problemas cognitivos y psicopatológicos más frecuentes en la vejez. Elaborada en su mayor parte por psicólogos, cuenta además con la participación de profesionales de los campos de la medicina, la terapia ocupacional, la farmacia y la enfermería, con el fin de incorporar la multidisciplinariedad y la interdisciplinariedad, así como el enfoque biopsicosocial, en el abordaje de la intervención de los pacientes de esta franja de edad.

Manual de Intervención Clínica en Psicogerontología está dirigido tanto al ámbito sanitario de la atención primaria y especializada como a las disciplinas universitarias relacionadas con las ciencias de la salud y, en menor medida, las ciencias sociales.
