Connor Montrose is running for his life. All that he held dear has been ripped away. Every Western intelligence agency and all the police forces of Europe are looking for him, with orders to shoot on sight. The only man who can prove his innocence, is the man that most wants him dead. Only one woman, a Mossad sleeper in Paris, will stand by his side. With her help, he must now turn and fight. His journey of evasion and revenge take him from hidden Holocaust bank vaults in Zurich, to the stinking sewers of Paris and dust-choked souks of Morocco. Finally, in the back streets of Tehran, under the gaze of the Ayatollahs, he has the chance to end it, as it began. In blood. This gripping high concept thriller will delight fans of Lee Child and James Patterson.
