Occupy These Photos: NYC Activism Through a Radical Lens Mickey Z.

Mickey Z. continues his advocacy work by taking his camera to the streets and showing a number of major demonstrations and protests that occurred in NYC between #OWS and #BlackLivesMatter as he saw them. Not a professional photographer but a street photographer capturing those who, like him, turn out daily to protest and demand changes to an unfair and unequal system as it affects all life in NYC, human and non-human.
