Bay Roberts: Not Your Typical Small Town (Historic) Michael F. Flynn

The story of Bay Roberts is one of an ordinary people who lived through a turbulent and extraordinary past. Adventure, murder, religious strife, inventions, successful local newspapers, and enterprise make up the collective history of a community thriving in Newfoundland today. The town has hosted tragedies, unprecedented commercial prosperity (and failure), famous sea captains, buried treasure, ancient tombstones, and intriguing grave markers. Stories of eccentric characters, war heroes, and horrible shipwrecks fill these pages. The town has a fascinating link to the Titanic tragedy, was a central hub in communications and international connections for government leaders during World War II, and is the home and birthplace of many famous poets, novelists, businessmen, and politicians.

The mission of this Historic series is to bring to light the ageless character of Newfoundland and Labrador communities in an effort to preserve the history of this province and to educate future generations about this corner of the global village. Bay Roberts: Not Your Typical Small Town is the third instalment in this series.
