Directory of African Film-Makers and Films

The richness and color of African cinema have been neglected for too long and its many talented film-makers deserve full recognition. This new and unique book gives detailed information on over 300 major African and Arab film-makers from the main film-producing countries: Algeria, Burkina Faso, Egypt, Ethiopia, Ghana, Guinea-Bissau, Ivory Coast, Madagascar, Mali, Senegal, Somalia, Tanzania, Tunisia, and Zaire. It also includes important film directors from Southern African states--Angola, Mozambique, Zimbabwe and others--as well as from other African republics.

Each entry gives details of the film-maker's career and a complete list of films made. Two extensive indexes arrange film-makers by country and list some 5,000 film titles, in both the original language and English. An important addition is the chronology of African cinema, giving a bold summary of its growth over the last thirty years.
