Women would like to make better choices in selecting a mate, and this book helps them recognize the qualities they desire and how to find them beneath the façade men often possess. The book looks at nine different player stereotypes, including truth tellers, mama's boys, betrayers, and deceivers, and teaches women to read the signs through the player's behavior and past history. Many men don't want commitment, but are not honest and many women believe what men say, but and are tired of playing games. Addressing the issues of honesty and communication, this book empowers women to find the mate they want and deserve.
