Edge of Light Cynthia Justlin

Taken prisoner by a ruthless group of anarchists deep in the Cambodian jungle, anthropologist Jocelyn Hewitt is isolated in a dark prison cell. Without chance of rescue. Or hope. Until the man in the next cell reaches out to let her know she's not as alone as she thinks.

CIA agent Oliver Shaw has been held prisoner for over two years. Forced to witness the brutal torture and slow murder of his entire team, his spirit is not just broken, it's crushed. He no longer believes in hope. Until he hears Jocelyn through the wall, and suddenly feels like a glimpse of light is trying to reach in...

Jocelyn's heart aches for the tortured man whose presence and voice give her the courage to risk their escape. But first she'll have to remind Oliver who he once was, what he once loved, and bring him back to life. Only then will they have a chance for freedom—and the kind of love neither ever thought possible.
