Podissea (Officina Marziani) (Italian Edition) Stefano Rossini

Marco Alieni è un giornalista di viaggi ed enogastronomia che ha speso gran parte della propria vita a scrivere reportage da tutta Italia, in particolare dalla pianura Padana e dal fiume Po. Uno strano evento della sua infanzia, la visione di uno storione d'argento, lo lega a doppio filo al fiume più lungo d'Italia.

Cosa sia questo pesce nessuno lo sa. Gli storioni sono scomparsi dal fiume e nessuno crede che ne esista un tale esemplare, creatura mitologica e fantastica.

Marco decide di intraprendere un ultimo viaggio alla scoperta del misterioso abitante del fiume insieme ad un amico giornalista, un ragazzo svedese finito in Italia quasi per errore e una salama da sugo parlante.

Durante il tragitto scopriranno un mondo che non immaginavano, popolato da antiche divinità, popoli vecchi e nuovi che si contendono lo spazio del fiume, mondi sotterranei e strane creature uscite dalle pieghe dell'evoluzione.

Dopo mille peripezie, l'incontro con divinità dell'antico Egitto, delle pianure orientali, fiumi cinesi, comunità guerriere e bizzarri produttori di parmigiano reggiano e prosciutto crudo, Marco, Aurelio, Sven e la salama approderanno a Isola Serafini per il gran finale.

Dietro tutto questo, nell'alto dei cieli, Dio e Lucifero fanno una scommessa sul viaggio dei naviganti.

Riusciranno i quattro esploratori a trovare lo storione d'argento? Cosa scopriranno sul mondo che li circonda? E cosa otterranno alla fine del viaggio?
