Eliza Goode is born into a New Orleans' parlor house in the mid 1800s. Sold as a courtesan on her seventeenth birthday, she flees her arranged future at the outbreak of the Civil War. She is passed up through Mississippi's plantations from one slave quarters to another until she emerges at the Confederates' Camp Corinth and is swept along to the battle of Manassas. Along the way, she meets Bennett McFerrin and his wife, Rissa, who follows her husband to war. Using guile and her extraordinary beauty, Eliza transforms herself from camp follower prostitute to laundress, nurse, and caregiver to Rissa when Bennett is taken prisoner by Ulysses S. Grant at the Battle of Fort Donelson in Clarksville, Tennessee. Her final transformation frees her from her past. Eliza's story is more than a tale of war, transcendence, and hardship. It is a story told in modern times by Susan Masters, a novelist in Boston, whose cousin, Hadley, finds Eliza's letters in an attic and implores Susan to write Eliza's story to answer questions she seeks for her own life. Hadley has a shameful secret of her own—a past, about which she cannot even bring herself to speak. Set in the second summer of the Iraq war and three years after 9/11, this is not your usual Civil War novel. This story says much about how we became who we are, and who we might have become, had the Civil War not saved us as a nation.
