The Simple Feeling of Being: Embracing Your True Nature

Ken Wilber

The Simple Feeling of Being: Embracing Your True Nature Ken Wilber

The author of nineteen books of philosophy and psychology, Ken Wilber is a pioneering thinker who has developed an integral "theory of everything" that embraces the truths of both Eastern spirituality and Western science. Yet while he is best known for his scholarly research into the world's contemplative traditions, Wilber is also an accomplished spiritual practitioner and mystic in his own right. In order to highlight the personal wisdom of this popular author, the editors of *The Simple Feeling of Being* have assembled a collection of inspirational, mystical, and instructional passages drawn from his publications. These heartfelt writings, born of Ken's own meditation practice and inner experiences, include:

- Poetic passages of contemplative insights and reflections
- Inspired descriptions of Spirit, Nondual Awareness, the Witness, One Taste, and other topics
- Commentary on the spiritual contributions of figures such as Ralph Waldo Emerson, Saint Teresa of Ávila, Meister Eckhart, and Ramana Maharshi
- Anecdotes of personal experience and glimpses into Wilber's inner world
- Practical spiritual instructions and guided meditations

Bill Dildy:

In this time globalization it is important to someone to get information. The information will make professionals understand the condition of the world. The fitness of the world makes the information easier to share. You can find a lot of references to get information example: internet, magazine, book, and soon. You will see that now, a lot of publisher that print many kinds of book. The particular book that recommended to you is The Simple Feeling of Being: Embracing Your True Nature this reserve consist a lot of the information on the condition of this world now. That book was represented just how can the world has grown up. The vocabulary styles that writer use to explain it is easy to understand. The writer made some study when he makes this book. That is why this book suited all of you.

Helen Chandler:

As a college student exactly feel bored to be able to reading. If their teacher inquired them to go to the library as well as to make summary for some e-book, they are complained. Just minor students that has reading's heart and soul or real their interest. They just do what the professor want, like asked to the library. They go to there but nothing reading critically. Any students feel that reading through is not important, boring in addition to can't see colorful pics on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this The Simple Feeling of Being: Embracing Your True

Nature can make you feel more interested to read.
