Forged in War: Roosevelt, Churchill, And The Second World War

Warren F. Kimball

Forged in War: Roosevelt, Churchill, And The Second World War Warren F. Kimball

World War II created the union between Franklin Roosevelt and Winston Churchill, molding it from start to finish, while the partnership itself shaped many of the most significant moments of the war and the peace that followed. Their connection was truly forged in war.

Roosevelt and Churchill continue to fascinate both the World War II generation and those who have grown up in the world formed by that struggle. Here is an inside look at their relationship and the politics, strategy, and diplomacy of the British-American alliance. Warren F. Kimball's lively analysis of these larger-than-life figures shows how they were at the same time realists and idealists, consistent and inconsistent, calculating and impulsive. The result is an unforgettable narrative.
