In ever-increasing numbers, women and men are seeking spirituality beyond traditional religious institutions and more and more their new normal includes the deities, ideals and archetypes of the Sacred Feminine. They have a desire to get beyond the patriarchal dogma that often perpetuates sexism, homophobia and the domination of Gaia and all her inhabitants, including the body of Mother Earth. Goddess Calling is designed to give individuals or those desiring to serve their communities a springboard to offer “sermons from the pulpit” with ideas to create a format for a regular gathering or service. Easy to digest and sometimes gently following the seasons of the year and holidays already on most people’s calendars, these messages and meditations use Goddess archetypes, ideals and mythology to provide content for education, inspiration and contemplation for anyone seeking to incorporate a feminine face of God within their spirituality, no matter what their faith.
