Perinatal Patient Education: A Practical Guide with Education Handouts for Patients (Book with CD-ROM) Margaret Comerford Freda

Perinatal Patient Education serves as a guidebook that teaches the principles of patient education to perinatal nurses in easy-to-understand terms. It also provides sample patient education handouts for agencies to distribute to patients. The handouts are written at the appropriate reading levels and cover all aspects of health education during the perinatal period. A CD-ROM is included which contains patient education handouts in English and Spanish that agencies can print and distribute to patients.
