**Pete Seeger in His Own Words** Pete Seeger, Rob Rosenthal, Sam Rosenthal

Long an icon of American musical and political life, Pete Seeger has written eloquently in a diverse array of publications but nowhere is his life story more personally chronicled than in these, his private writings, documents and letters stored for decades in his family barn. *Pete Seeger: His Life in His Own Words*, collects Seeger's letters, notes, published articles, rough drafts, stories and poetry - creating the most intimate picture yet available of Seeger as a musician, an activist and a family man. The book covers the passions, personalities and experiences of a lifetime of struggle - from the pre-WWII labour movement and the Communist Party, to Woody Guthrie, the Civil Rights movement and the struggle against the war in Vietnam. The portrait that emerges is not of a saint, but a flesh-and-blood man, struggling to understand his time and his place.
