Slingshot to the Juggernaut: Total Resistance to the Death Machine Means Complete Love of the Truth Sander Hicks

In the ten years since 9/11, a grassroots truth movement has sprung up that unites the best elements of the right and left. The call to resist the secrecy, imperialism, and the manipulation of the elite has been heard by a wide spectrum of people, across religious and political lines. This is a revolutionary moment that has lacked a clarifying manifesto.

Until now.

Pulling from his personal confrontations with the FBI, Rudolph Giuliani, Eliot Spitzer, and Dick Cheney, activist, maverick, and investigative reporter Sander Hicks reaches for a broader understanding of who was behind the 9/11 attacks. He reports the mysterious murder of Dr. David M. Graham, a Shreveport dentist who met two of the 9/11 hijackers but was then harassed by the FBI and poisoned. Scientific evidence leads him to take a hard, critical stance against Bush, Cheney, and the 9/11 “Official Story.”

Weaving evidence with anecdote, *Slingshot to the Juggernaut* is an inspiring ride into the 9/11 cover-up and the revolutionary possibilities it inadvertently created. Provocative and unyielding, Hicks examines the evidence, draws conclusions, and offers a vision for the future of the United States.
