The Management of People

Robert Purse

The Management of People Robert Purse

The Management of People by Robert Purse is not about human resource management, but rather about the management of people. It is suitable for a wide audience, from first-line supervisors to senior managers, in fact, anyone with direct responsibility for the management of people. There are a number of recurring themes throughout the book: Communication, Consistency, Dignity, Respect and Trust. The book draws on examples from Robert's varied career of over 40 years in the management of people, gained in a wide range of sectors (both public and private), as well as other managers. This book will be a great asset for managers who want to accomplish their organisational goals by engaging with people. This handy resource is written in an easy-to-read and straightforward style with a pleasing lack of managerial jargon.
