EPISODE 8 OF 8: Evidence mounts against Agent Sullivan as the insider responsible for sabotaging the NBS recruits' first agency assignment. Now Agent Hall must rely on the brittle trust he's built between himself and the new agents to allow them all to work together to rid their organization of a traitor from the inside. New revelations along the way will cause tensions to rise as each agent has something personal to lose at stake. For some, it's freedom. Others, revenge. But for one agent, it's a family secret she may be willing to go rogue for in order to uncover.

-- ABOUT THE SERIES: NBS agents are trained for one purpose: bringing down The Syndicate, an international crime organization aimed at profiteering by keeping countries at war with one another. When an NBS agent is murdered shortly before her first assignment, five new recruits quickly realize the agency they're working for may not be as trustworthy as it seems, forcing them to make a pact in order to survive. Can the new agents stay alive long enough to uncover the truth behind their fellow recruit's death? Or is finding answers hidden deep within both organizations tempting enough to make one of them break the pact?
