Voy a contarles un corrido (Spanish Edition) Erma Cárdenas

El corrido ha funcionado desde hace más de doscientos años como la memoria oral de muchas zonas de nuestro país. Mediante este género musical, el pueblo guarda, divulga y perpetúa las noticias y acontecimientos que le afectan. Combinan la métrica del romance castellano, el ritmo y la melodía. Son una manifestación crítica de la sociedad: revelan y preservan historias no oficiales y alternativas. Erma Cárdenas retoma esta expresión popular para ofrecernos diecisiete cuentos extraordinarios basados en los personajes y argumentos de algunos de los corridos que se encuentran guardados en su memoria. Este libro no es sólo un recorrido cronológico o histórico; ofrece una muestra de las épocas más representativas de este icono entrañable de nuestra identidad. Aquí se narran las vidas de personajes que se enfrentan a la muerte, de aquellos que viven al margen de la ley, amores frustrados y héroes maldecidos por deudas de dinero, traición y honor. La esencia del corrido es la transmisión oral de estas historias, y mientras haya alguien que las cante —o en este caso, alguien que las escriba— sus personajes seguirán vivos.
