## **Worf's First Adventure** Peter David

Cadet Worf arrives at Starfleet Academy™ as the first Klingon to gain entrance since the Federation-Klingon, Peace Treaty. Raised on Earth by human parents, Worf wonders whether he is still a Klingon, the proud member of an honorable warrior race, or is he more *human*?

Command-level classes fill his schedule, but nothing prepares him for his fellow cadets, among them his human foster brother. Intelligent, ambitious, and confident, the Academy cadets make life difficult for the young warrior. Worf must win over his classmates -- including the always logical Vulcans and the fierce Brikar -- even though they are still trained to think of him as the enemy.

Then a routine trip to a training satellite turns into an unexpected disaster, and Worf must unite the cadets and risk his life before a terrible accident destroys the entire mission.
