The Third Karmapa's Mahamudra Prayer Tai Situ

The Mahamudra Prayer by the Third Karmapa Rangjung Dorje is a short yet thorough and profound text which presents all the essential points of Mahamudra teaching in terms of view, practice, and fruition. It is a classic that, especially in the tradition of the Karma Kagyu school of Tibetan Buddhism, has been and is widely used whenever a disciple is given a first introduction into Mahamudra. The Third Karmapa shows how to recognize our ultimate potential as a buddha. The short root text is further explained by Khentin Tai Situpa Pema Donyo Nyingje Wangpo, the twelfth incarnation of the Tai Situpa lineage, which is one of the most important lineages of the Kagyu tradition. His deep understanding of Western culture, especially of the Western psychological perspective, allows him to expound the Dharma with a clarity and directness that is truly inspiring.
