To Speak Beyond the pain Farah Anwar

You feel pain in this world, in every word people say, in every act they make. Surprisingly, you see spots of tears on every face you meet, then who is the 'Cruel Man'? You do not focus on the feelings behind the feelings but it pains; when soreness is the only thing in your heart. Might be you have compromised all you had? Or you missed the one you loved for most? Or you have lost dreams. You could be victim of society's double standards. You are 'broad minded' but these so called practical people name you as narrow minded'. When being human pains the worst and proud is the only reason to die, when life means nothing to you and death is the only priority to live. You look at yourself; for the world you might be a very prominent and successful person but at night you cry for ruined of you. The catastrophic waves unifying inside, keeping wet eye you moves on deliberately, ignoring what is killing inside. Absorbing all, standing with arrogance you lie about happy life. But mind it, you have goodness inside you, no one is devil. You are beautiful because you are born as human; who does not eat other humans. Your integrity is hidden, you might be starving for pleasure but it's completely missing. Do not hide yourself behind the world, come in front, accept the true face, and heed what you have never heard. Understand, what was misunderstood, the unspoken sentiments. Seek what your soul had been complaining you. In last, face it, accept and alter you, because it's beyond five senses.
