Conversational Style: Analyzing Talk among Friends Deborah Tannen

This revised edition of Deborah Tannen's first discourse analysis book, *Conversational Style*--first published in 1984--presents an approach to analyzing conversation that later became the hallmark and foundation of her extensive body of work in discourse analysis, including the monograph *Talking Voices*, as well as her well-known popular books *You Just Don't Understand*, *That's Not What I Meant!*, and *Talking from 9 to 5*, among others.

Carefully examining the discourse of six speakers over the course of a two-and-a-half hour Thanksgiving dinner conversation, Tannen analyzes the features that make up the speakers' conversational styles, and in particular how aspects of what she calls a 'high-involvement style' have a positive effect when used with others who share the style, but a negative effect with those whose styles differ. This revised edition includes a new preface and an afterword in which Tannen discusses the book's place in the evolution of her work.

Conversational Style is written in an accessible and non-technical style that should appeal to scholars and students of discourse analysis (in fields like linguistics, anthropology, communication, sociology, and psychology) as well as general readers fascinated by Tannen's popular work. This book is an ideal text for use in introductory classes in linguistics and discourse analysis.

From reader reviews:

Mike Munguia:

The book *Conversational Style: Analyzing Talk among Friends* can give more knowledge and information about everything you want. So just why must we leave the best thing like a book *Conversational Style: Analyzing Talk among Friends*? Wide variety you have a different opinion about guide. But one aim that will book can give many facts for us. It is absolutely suitable. Right now, try to closer along with your book. Knowledge or data that you take for that, you could give for each other; it is possible to share all of these. Book *Conversational Style: Analyzing Talk among Friends* has simple shape however you know: it has great and massive function for you. You can appearance the enormous world by open and read a reserve. So it is very wonderful.

Dennis Jenkins:

Book is to be different for every single grade. Book for children till adult are different content. To be sure that book is very important for people. The book *Conversational Style: Analyzing Talk among Friends* seemed to be making you to know about other understanding and of course you can take more information. It doesn't matter what advantages for you. The e-book *Conversational Style: Analyzing Talk among Friends* is not only giving you much more new information but also being your friend when you sense bored. You can spend your spend time to read your publication. Try to make relationship with the book *Conversational Style: Analyzing Talk among Friends*. You never feel lose out for everything when you read some books.

Steven Barraza:

Exactly why? Because this *Conversational Style: Analyzing Talk among Friends* is an unordinary book that the inside of the guide waiting for you to snap it but latter it will distress you with the secret that inside. Reading this book adjacent to it was fantastic author who have write the book in such remarkable way makes the content inside easier to understand, entertaining way but still convey the meaning totally. So , it is good for you for not hesitating having this anymore or you going to regret it. This phenomenal book will give you a lot of advantages than the other book include such as help improving your expertise and your critical thinking method. So , still want to delay having that book? If I were you I will go to the reserve store hurriedly.

Elizabeth Daugherty:

Conversational Style: Analyzing Talk among Friends can be one of your basic books that are good idea. We all recommend that straight away because this reserve has good vocabulary that can increase your knowledge in words, easy to understand, bit entertaining but nonetheless delivering the information. The writer giving his/her effort to get every word into satisfaction arrangement in writing *Conversational Style: Analyzing Talk among Friends* yet doesn't forget the main level, giving the reader the hottest as well as based confirm resource information that maybe you can be certainly one of it. This great information could drawn you into

fresh stage of crucial considering.
