I Take You: A Novel Eliza Kennedy

Meet Lily Wilder: New Yorker, lawyer extraordinaire, blushing bride. And totally incapable of being faithful to one man.

Lily's fiancé Will is a brilliant, handsome archaeologist. Lily is sassy, impulsive, fond of a good drink (or five) and has *no* business getting married. Lily likes Will, but does she love him? Will loves Lily, but does he know her? As the wedding approaches, Lily's nights—and mornings, and afternoons—of booze, laughter and questionable decisions become a growing reminder that the happiest day of her life might turn out to be her worst mistake yet.

Unapologetically sexy with the ribald humor of *Bridesmaids*, this joyously provocative debut introduces a self-assured protagonist you won't soon forget.

From the Hardcover edition.
