Leopold

Dr. Ruth K. Westheimer

Leopold Dr. Ruth K. Westheimer

Leopold is an uplifting parable about a turtle overcoming his fears, as told by Dr. Ruth Westheimer, with beautiful, hand-painted illustrations. Dr. Ruth's grandson, Ben, is afraid to join the soccer team. To help out, she tells him the story of Leopold the Turtle, who always stays on the shore. It terrifies him to go join the other turtles and play in the water and sun on the rocks. Leopold just can't get out of his shell, and the longer he waits, the more he starts to doubt. Even though Leopold feels quite alone, he stays on the riverbank where it's safe. But Freddy the Frog is a little concerned about Leopold and asks him to join them in the river. Leopold has to choose whether to brave the unknown and join his friends or to stay lonely and remain safe on land. In this charming, rhyming tale of a turtle too afraid to set foot in the river, Leopold proves that facing your fears can set you free.

From reader reviews:

Mary Thomas:

As people who live in often the modest era should be change about what going on or facts even knowledge to make these people keep up with the era that is always change and move forward. Some of you maybe may update themselves by reading through books. It is a good choice for you but the problems coming to an individual is you don't know what kind you should start with. This Leopold is our recommendation to make you keep up with the world. Why, because this book serves what you want and need in this era.

Ramona Wrenn:

Information is provisions for individuals to get better life, information these days can get by anyone at everywhere. The information can be a know-how or any news even a concern. What people must be consider while those information which is from the former life are challenging be find than now is taking seriously which one is appropriate to believe or which one often the resource are convinced. If you get the unstable resource then you have it as your main information it will have huge disadvantage for you. All those possibilities will not happen within you if you take Leopold as the daily resource information.

Ruth Williams:

Spent a free a chance to be fun activity to perform! A lot of people spent their free time with their family, or their friends. Usually they performing activity like watching television, going to beach, or picnic inside the park. They actually doing same thing every week. Do you feel it? Do you need to something different to fill your own free time/ holiday? Could possibly be reading a book is usually option to fill your cost-free time/ holiday. The first thing you ask may be what kinds of e-book that you should read. If you want to test look for book, may be the e-book untitled Leopold can be very good book to read. May be it can be best activity to you.

Clyde King:

On this era which is the greater particular person or who has ability in doing something more are more precious than other. Do you want to become certainly one of it? It is just simple method to have that. What you must do is just spending your time not much but quite enough to enjoy a look at some books. One of several books in the top record in your reading list will be Leopold. This book which is qualified as The Hungry Inclines can get you closer in growing to be precious person. By looking upwards and review this guide you can get many advantages.
