*Lips of Lust: Ten First Lesbian Experience Erotica Stories* There's just something about the thought of another woman, the thought of the touch and the tenderness or maybe even the thought of getting to be in charge of someone for a change. The feel of her hands, the feel of her tongue-the way she might move beneath you and how she might react when you have your first erotic taste... This collection explores the fantasy in detail, and it's just a click away.

Warning: This audiobook contains very explicit descriptions of sexual activity and includes lesbian sex, lesbian seduction, sex toys, oral sex, rough sex, and more. Therefore, only mature adults who will not find this graphic sexual content offensive, should listen to this collection.
