Mastering the Nikon D300/D300S Darrell Young

Mastering the Nikon D300/D300S, by Darrell Young, provides a wealth of experience-based information and insights for owners of these powerful and sophisticated cameras. Darrell is determined to help the user navigate past the confusion factor that often comes with complex but powerful new professional camera equipment.

The book explores the features and capabilities of the two cameras in a way that completely surpasses user's manuals. It guides readers through the DSLR camera features with step-by-step setting adjustments, color illustrations, and detailed explanations for each option. Each button, dial, switch, screen, and menu configuration option is explored in a user-friendly manner, with suggestions for setup according to various shooting styles.

Darrell Young's friendly and informative writing style allows readers to easily follow directions, while feeling as if a friend dropped in to share his knowledge. The learning experience for D300/D300S beginners- and refresher information for professionals-goes beyond just the camera itself. Detailed explanations cover White Balance, the Histogram, the Multi-CAM 3500DX autofocus system, and how the Live View and D-Movie modes work. Camera accessories such as Speedlight flash and GPS units are also considered.

This Mastering the Nikon D300/D300S can be the respond to, oh how comes? The new book you know. You are thus out of date, spending your free time by reading in this fresh era is common not a geek activity. So what these books have than the others?

Ada Peterson:

As a pupil exactly feel bored to help reading. If their teacher inquired them to go to the library or make summary for some reserve, they are complained. Just tiny students that has reading's internal or real their interest. They just do what the professor want, like asked to go to the library. They go to presently there but nothing reading critically. Any students feel that reading is not important, boring as well as can't see colorful pics on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this Mastering the Nikon D300/D300S can make you feel more interested to read.
