Plumbing Kevin Stead

Kevin Stead offers an accessible approach to learning, revision and reinforcement based round key information and assessments rather than extended text. This book is ideal for students both working alone and in class. Each topic begins with a summary section followed by a detailed glossary of terms and explanatory notes. Every chapter ends with a variety of exercises, multiple-choice questions and an answer section for the reader to check their understanding. This makes Plumbing an accessible course text for a wide range of students providing preparation for City & Guilds tests as well as building a strong foundation of underpinning knowledge for NVQs.
