**Tales From Neverland #3 (of 3)** Dan Wickline

CROC

Neverland is filled with mysterious and deadly creatures but none more dangerous than the monster croc that inhabit its seas and waterways. Many natives have fallen prey to these deadly predators and facing one alone in its natural habitat is suicide. But that's exactly what Pan aims to do to earn the respect of the tribes that inhabit his new found home. His reward is a seat on the throne of Neverland...if he can survive to claim it.
