Viking Warrior Rising (Viking Warriors) Asa Maria Bradley

"Move over Highlanders...the Vikings are coming!"-Rebecca Zanetti, *New York Times* bestselling author of the Dark Protector series

Immortal Vikings are among us

Leif Skarsganger and his elite band of immortal warriors have been charged to protect humanity from the evil Norse god Loki.

Under attack from Loki's minions, Leif is shocked to encounter a dark-haired beauty who fights like a warrior herself. Wounded and feverish, the Viking kisses her, inadvertently triggering an ancient Norse bond. But when Naya Brisbane breaks away and disappears before the bond is completed, Leif's warrior spirit goes berserk. If Leif doesn't find her fast, he's going to lose himself to permanent battle fury.

But Naya doesn't want to be found...and he'll do anything to find her. Because they're both running out of time.

"Strong world-building, and a hero that will make you want a Viking of your very own!" -Paige Tyler, *New York Times* and *USA Today* bestselling author of the X-Ops and SWAT series
