## **The best professional tools for book production: print & ebook**

*Virtually all professional book designers use InDesign:* What is not commonly known is that this same software is the best for self-publishing authors as well. Not only is it necessary for printed books, but it is now the best for ebook production also. InDesign CC9.2 has really ramped up its ePUB abilities.

Now you can take your print document and convert it quickly and professionally to produce excellent quality ePUBs and Kindle books. This book shows you how to do that efficiently—by training you, using clear, practical language, in all the requirements of book production needed to self-publish.

## **David Bergsland: 40 years experience**

*He has been teaching these materials since 1991:* There are few people with his expertise—especially for the new breed of self-publishing authors. He has been self-publishing ebooks since 1996. He taught these materials at a large community college in Albuquerque, New Mexico from 1991–2005. Since 2009, he has been publishing full-time under the name Radiqx Press in Mankato, Minnesota. His focus is clear instruction about day-to-day production techniques & the practical needs of self publishers.
