Want to get rid of pesky bugs and rodents in and around your home and garden?without using dangerous chemical pesticides? *Bug Busters* provides dozens of environmentally

safe, easy methods for keeping your home free of pests. Written in easy-to-understand language, this book combines traditional time-proven pest controls with the latest research. Also included are new and innovative techniques for eradicating vermin. And for those times when a chemical pesticide or exterminator may be your only recourse, as with termite infestation, *Bug Busters* tells you how to find a competent professional and how to properly handle and dispose of chemical pesticides.

At a time when literally thousands of adults and children are treated yearly for pesticide mishaps, *Bug Busters* provides important information for anyone who is concerned with safe and intelligent pest control.
