Arnold W. Rachman

Sandor Ferenczi: The Psychoanalyst of Tenderness and Passion Arnold W. Rachman

Interpersonal, object relations, and self psychology owe a debt to Sandor Ferenczi, the father of active and humanistic approach to therapy. Before Freud suppressed his radical ideas, Ferenczi made great progress in formulating new techniques to treat difficult-to-reach patients, such as people with character disorders, borderline conditions, and incest survivors. With this book, Rachman gives contemporary therapists what has been denied them: access to Ferenczi as a role model for working flexibly, creatively, and innovatively with diverse patients.
