A cornucopia of spelling challenges—from the deceptively simple to the truly vexing—for good, better, and exceptional spellers (or those who want to be).

So You Think You Can Spell? is a handy way to go one on one, pencil to paper, against hard, harder, and heartless words. The challenges vary from three- and five-word mini-quizzes to fifty-words, from tests of quite familiar (but ever misspelled) words to those rife with vowel, consonant, or silent-letter booby traps. This unique volume also tests one's spelling smarts in the arts and sciences, international cuisine, and geography. All in all, this is a book to settle the ultimate question: Just how good a speller are you?
