Kobayashi Takiji

The Crab Cannery Ship: and Other Novels of Struggle Kobayashi Takiji

This collection introduces the work of Japan's foremost Marxist writer, Kobayashi Takiji (1903–1933), to an English-speaking audience, providing access to a vibrant, dramatic, politically engaged side of Japanese literature that is seldom seen outside Japan. The volume presents a new translation of Takiji's fiercely anticapitalist *Kani k?sen*—a classic that became a runaway bestseller in Japan in 2008, nearly eight decades after its 1929 publication. It also offers the first-ever translations of *Yasuko* and *Life of a Party Member*, two outstanding works that unforgettably explore both the costs and fulfillments of revolutionary activism for men and women. The book features a comprehensive introduction by Komori Y?ichi, a prominent Takiji scholar and professor of Japanese literature at Tokyo University.
