Walking Hill Country Towns: 38 Unique Walks in the Texas Hill Country Diane Capito

This guidebook features 38 carefully-mapped walks in 26 towns in the picturesque Hill Country of central Texas. Itineraries take you along familiar main streets, then down the unbeaten byways that so often define a town's soul. A wealth of local historical detail available in no other single volume tells of the people behind the landmarks.

Whether you walk the routes or choose to drive or bicycle along them, you'll find precise directions plus the location of convenient parking, restrooms and restaurants. The index offers a quick checklist of cemeteries, courthouses, museums, parks and nature trails and even, for five towns, eyewitness accounts of ghosts, one of which the author swears she herself encountered during the preparation of this book.
