Have you ever wondered why you do the things you do? In the same way that stars form patterns called constellations, family members and how they interact with each other create behavioural patterns, by tracing these patterns with Family constellation and historical mediumship we can begin to bring the hidden in to the light. Take an intuitive walk through your family tree and uncover the secrets of your ancestors. Examples and illustrations of the effects of the ancestors and family patterns on individuals are given from Nikki's private practice, group workshops as well as delving in to the world of celebrity with exploration of the lives and deaths of Marilyn Munro, Curt Kobain and others.
