Bodies Electric: A Novel Colin Harrison

Jack Whitman is a powerful executive with a massive multimedia conglomerate. He is extremely well-paid, highly ambitious, and desperately lonely since his wife's murder. Then one night on a subway car, his eyes meet those of a woman he cannot forget.

Dolores Salcines is a ravaged beauty on the knife edge of despair--a woman on the run with secrets, and good reason to hide them. What she needs is a savior--an impulsive rescue from a dire past. What she has found is a man willing to give it to her.

It begins as a reckless liaison. It spirals into a nightmare that threatens Jack's career, his fortune, and his life. A trap has been set. For Jack, the only chance at escape is to submit to the one final dangerous urge that resides in the dark side of every human heart.
