## **Bottle Trees: ...and the Whimsical Art of Garden Glass** Felder Rushing

Originally meant to trap bad spirits, bottle trees arrived in the U.S. with the African slave trade and first took root in the South. Now it's a popular art form, a national phenomenon that's showing up at garden shows, craft fairs and farmers markets. Garden writer and photographer Felder Rushing has encountered thousands of bottle trees and other glass garden art in his travels across America and around the world. In **BOTTLE TREES** he presents 60 of his favorites, from the backyards of Mississippi to the Chelsea Flower Show to the glass fantasies of Dale Chihuly. With humor and affection he tells the stories behind the photographs: the history and lore of bottle trees and glass sculpture, and the inspired people who make them.
