Matthew Costello, Neil Richards

Cherringham - Murder Most Wild: A Cosy Crime Series Matthew Costello, Neil Richards

When the Zakro Corporation attempts to build a mammoth supermarket outside Cherringham, the whole village is up in arms. But the accidental death of lead environmentalist Sam Lewis seems to hand victory to the developers. Could Sam's opposition to the project be the real reason he died? When Jack and Sarah take on the case, they will learn that what looked like an accident was - in fact - one very wild murder.

-- Cherringham is a serial novel à la Charles Dickens, with a new mystery thriller released each month. Set in the sleepy English village of Cherringham, the detective series brings together an unlikely sleuthing duo: English web designer Sarah and American ex-cop Jack. Thrilling and deadly - but with a spot of tea - it's like Rosamunde Pilcher meets Inspector Barnaby. Each of the self-contained episodes is a quick read for the morning commute, while waiting for the doctor, or when curling up with a hot cuppa.

-- For fans of Agatha Christie's Miss Marple series, Lilian Jackson Braun's The Cat Who series, Caroline Graham's Midsomer Murders, and the American TV series Murder She Wrote, starring Angela Lansbury.

-- Co-authors Neil Richards (based in the UK) and Matthew Costello (based in the US), have been writing together since the mid 90's, creating content and working on projects for the BBC, Disney Channel, Sony, ABC, Eidos, and Nintendo to name but a few. Their transatlantic collaboration has underpinned scores of TV drama scripts, computer games, radio shows, and - most recently - the successful crime fiction series Cherringham. Now into its second season of 12 novellas, Cherringham is popular around the world and has been adapted as a series of audiobooks in Germany.
